Section	800 Operations
Title	Acceptable Use of Internet
Number	815
Status	Active
Adopted	June 22, 2007

Purpose

The Board supports use of the Internet and other computer networks in the district's instructional and operational programs in order to facilitate learning, teaching and daily operations through interpersonal communications and access to information, research and collaboration.

For instructional purposes, the use of network facilities shall be consistent with the curriculum adopted by the school district as well as the varied instructional needs, learning styles, abilities, and developmental levels of students.

Authority

The electronic information available to students and staff does not imply endorsement by the district of the content, nor does the district guarantee the accuracy of information received. The district shall not be responsible for any information that may be lost, damaged or unavailable when using the network or for any information that is retrieved via the Internet.

The district shall not be responsible for any unauthorized charges or fees resulting from access to the Internet.

The district reserves the right to log network use and to monitor filespace utilization by district users, while respecting the privacy rights of both district users and outside users.

The Board establishes that network use is a privilege, not a right; inappropriate, unauthorized and illegal use will result in cancellation of those privileges and appropriate disciplinary action.

The Board shall establish a list of materials, in addition to those stated in law, that are inappropriate for access by minors and shall designate an online server to block such access. [\[1\]](#)

Delegation of Responsibility

The district shall make every effort to ensure that this resource is used responsibly by students and staff.

The district shall provide a copy of this policy to parents/guardians, upon written request.
