| Locate fiction books by the call letters. | Students will be able to locate a specific call number and locate a book with that number. | Each student will locate a specific chapter book on the shelf by call number.  
Example: F OSB (Magic Tree House) | Books that integrate with core curriculum areas | 1.1  
1.2  
1.3  
1.5  
1.6  
ALA Standard 2, 4, 5, 9 |
| Recognize that nonfiction books are arranged by subject areas. | Students will know how to locate an animal book in the Dewey 599 section. Students will know the major Dewey classification divisions. | Student will locate a specific nonfiction book on the shelf by Dewey call number. | Books that integrate with core curriculum areas | 1.1  
1.2  
1.3  
1.5  
1.6  
ALA Standard 2, 4, 5, 9 |
| Locate the biography section of the library. | Students will be able to locate a biography about a specific person from the library shelf. | Each student will locate a biography on George Washington, Helen Keller, Susan B. Anthony, Abraham Lincoln, or Martin Luther King, Jr. | Biographies that integrate with core curriculum areas | 1.1  
1.2  
1.3  
1.5  
1.6, 1.8  
ALA Standard 2, 4, 5, 9 |
| Locate the basic parts of a book:  
• Cover  
• Title page  
• Title  
• Author  
• Illustrator  
• Publisher  
• Place of Publication  
• Copyright page and date  
• Table of Contents  
• Index. | Students will be able to identify the parts of a book: title page, copyright page and date, Table of Contents, and Index. | Students will place parts of a title page back on board in correct order and tell what each part is. Check order of Title Page information on students’ worksheets. | Make a sample title page on poster board.  
Make parts (title, author, illustrator, publisher, and place of publication) removable.

<th>Performance Objectives</th>
<th>Assessment</th>
<th>Teacher Resources</th>
<th>Standards</th>
</tr>
</thead>
</table>
| Express in own words  
information obtained from reference sources.  
Formulate research questions based on topic. | The student will know that to  
Cite information is to give  
information that identifies a book or article that gives author, title, publisher, and date. | Model to students how to express information obtained by reading a selection from a reference source on a particular topic or story, and then retelling in your own words. Have students demonstrate the same skill. | Books used should correlate with identified areas of need. | 1.1, 1.2  
1.3, 1.5, 1.6, 1.8  
ALA Standard 2, 4, 5, 9 |
| Recognize the importance of using citations for reference sources used in research. | The student will know that to  
Paraphrase is to restate information in one’s own words. | Have students select a topic to research and develop questions by using the Research Planner form. | Research Planner form. | 1.1, 1.2  
1.3, 1.5, 1.6, 1.8  
ALA Standard 2, 4, 5, 9 |
| Recognize the importance of taking accurate notes and paraphrasing information from reference materials | The Student will know how to  
take notes and how to paraphrase information from reference materials. | Demonstrate to students how to take good notes. | Books used should correlate with identified areas of need. | 1.1, 1.2  
1.3, 1.5, 1.6, 1.8  
ALA Standard 2, 4, 5, 9 |
| Create an outline of information obtained from reference materials.  
Synthesize information from reference sources.  
Select and use appropriate reference sources. | The student will know how to create an outline, how to synthesize information from reference sources, and how to select and use appropriate reference sources. | Choose any topic that students may be working on in the content area subjects and develop a research question. Have students go through the passage from reference source and choose only the words that will answer the topic question. | Books used should correlate with identified areas of need. | 1.1, 1.2  
1.3, 1.5, 1.6, 1.8  
ALA Standard 2, 4, 5, 9 |
### Halifax Area School District

| Describe character development in fiction and poetry selections. | The student will know that a character is a person, animal, or thing portrayed in a story and that the plot is what happens in a story; a sequence of related events that make up the story. | Ask students which characters in the story stayed the same, which ones changed, and how they changed. Complete a semantic web about a character, showing the character’s traits at the beginning and end of the story. | Books used should correlate with identified areas of need. | 1.1, 1.2  
1.3, 1.5, 1.6, 1.8  
ALA Standard 2, 4, 5, 9 |
| Describe the development of plot, and explain how conflicts are resolved. | The student will know that a conflict is a struggle or dispute between opposing characters or forces and the climax is the point in the story when the conflict is decided one way or another. | Ask what the students know about a character from: What is directly stated in the text, their speech and actions, what other characters in the story say or think about them. Ask students to explain why a certain character did what they did, or perhaps what they would have done in a similar circumstance. Ask students to identify the problem of the plot and explain how it was resolved. Have students create a new ending or solution. | Books used should correlate with identified areas of need. | 1.1, 1.2  
1.3, 1.5, 1.6, 1.8  
ALA Standard 2, 4, 5, 9 |
| Describe how the author’s choice of vocabulary and style contribute to the quality and enjoyment of selections. | The student will know that a resolution is the point in the story when the characters’ problems are solved and the story ends and the style is the way in which something is written. | Have students use a graphic organizer to identify the planned events in sequence that led to resolution of the conflict. Ask students to discuss why an author might have used particular words and phrases. | Books used should correlate with identified areas of need. | 1.1, 1.2  
1.3, 1.5, 1.6, 1.8  
ALA Standard 2, 4, 5, 9 |

| Discuss how Dewey Decimal numbers represent subject areas. Place books on a certain subject in the proper Dewey classification. | Students will know that the Dewey Decimal is a system using numbers and authors’ initials to place books on library shelves. | Students in teams will locate books from the ten major Dewey areas. Students will match specific book subjects and titles to their corresponding major Dewey classification. | Books used should correlate with identified areas of need. Worksheet listing subjects, titles and authors for specific Dewey areas. | 1.1, 1.2  
1.3, 1.5, 1.6, 1.8  
ALA Standard 2, 4, 5, 9 |
| Use call numbers through all decimal places in sequential order. Recognize the use and purpose of credits | Students will know that credits are publishing information about a book: author, illustrator, publisher, place of publication, copyright date, edition, etc. | Groups of students will receive a list of ten call numbers to put in sequential order. Students will create a bibliography for a specific subject. Students will use library catalog to locate five books on a specific title and use credit information to write a bibliography. | Books used should correlate with identified areas of need. Worksheets listing book titles and the major Dewey subject areas. | 1.1, 1.2  
1.3, 1.5, 1.6, 1.8  
ALA Standard 2, 4, 5, 9 |
| Recognize cross references in Destiny. Independently use Destiny to find a desired item in the media center | Students will know that cross reference is listing materials under two or more different subjects and that Destiny is the library catalog located on the computer. Students will know that synonyms are words that have the same meaning as another word. | Students will create ten cross-references for common subjects found in an index. Students will locate fifteen library items using Destiny. | Books used should correlate with identified areas of need. Dewey Worksheet | 1.1, 1.2  
1.3, 1.5, 1.6, 1.8  
ALA Standard 2, 4, 5, 9 |

<tr>
<td>Compare and contrast fiction and historical fiction. Understand that historical fiction is a story based on facts.</td>
<td>Students will know that Historical Fiction is fictional literature in which real persons, places or events are mentioned; takes place during a specific historical time.</td>
<td>Have students compare and contrast a fiction story and a historical fiction story. Use a Venn diagram to compare/contrast people read about.</td>
<td>Discuss/define historical fiction and show examples from the library collection. Show poems on an overhead projector. Initiate individual or choral reading of the poems. Discuss rhyme scheme if poetry is rhymed. Ask why a person might like to read or write poetry</td>
<td>1.1, 1.2 1.3, 1.5, 1.6, 1.8 ALA Standard 2, 4, 5, 9</td>
</tr>
<tr>
<td>Explain the difference in biography, autobiography and collective biography.</td>
<td>Students will know that a Collective Biography is a book containing the life story of more than one person.</td>
<td>Have the students locate the biographies in the library, as well as the collective biographies.</td>
<td>Discuss/define biography, autobiography and collective biography, and show examples from the media center collection.</td>
<td>1.1, 1.2 1.3, 1.5, 1.6, 1.8 ALA Standard 2, 4, 5, 9</td>
</tr>
<tr>
<td>Obtain information from literature about a variety of subjects that support the core content areas. Such literature can be fiction or nonfiction.</td>
<td>Students will know that the section a poem is divided into often expressing a single unit of thought is a stanza.</td>
<td>Have the students write a four stanza poem.</td>
<td>Read excerpts from biographical materials or complete books if short enough.</td>
<td>1.1, 1.2 1.3, 1.5, 1.6, 1.8 ALA Standard 2, 4, 5, 9</td>
</tr>
<tr>
<td>Connect experiences of historical figures to similar experiences of other historical figures or present day individuals.</td>
<td>Students will know that a rhyme scheme is the rhyme pattern a poet uses in a poem, usually marked with capital letters.</td>
<td>Have the students write a four stanza poem about their favorite historical figure.</td>
<td>Read excerpts from historical fiction or complete books if short enough.</td>
<td>1.1, 1.2 1.3, 1.5, 1.6, 1.8 ALA Standard 2, 4, 5, 9</td>
</tr>
<tr>
<td>Explain why the author wrote the piece. Recognize some well-known children's authors.</td>
<td>Students will know the Author's Purpose to inform to entertain to persuade to express emotions</td>
<td>Introducing a book to be read aloud, have students try to predict the author's purpose for writing it. When finished, discuss whether their predictions were correct.</td>
<td>Books used should correlate with identified areas of need.</td>
<td>1.1, 1.2 1.3, 1.5, 1.6, 1.8 ALA Standard 2, 4, 5, 9</td>

| The student will use an atlas, almanac, thesaurus, dictionary, and encyclopedia effectively.  
The student will select the most appropriate reference source for a specific purpose. | Use an atlas effectively.  
Use an almanac effectively.  
Use a dictionary effectively.  
Use a thesaurus effectively. | The student will know that an atlas is a reference book of maps.  
The student will know that an almanac is a book of facts and statistics that published annually. | Give student a blank U.S. map and instruct them to label the states after given clues about certain states.  
Ask students to locate the continents, the United States, Virginia, and other locations.  
Have students answer questions on different topics. | Discuss major features of the atlas. Stress the importance of location coordinates found in the index. Explain how the location coordinates direct the user to the correct map and place location. Explain to student that an almanac is a book of facts, figures and statistics on a number of different topics. |

| | Distinguish between an abridged and an unabridged dictionary. | The student will know that an abridged dictionary is a smaller more concise book of words and meanings arranged alphabetically. The student will know that an unabridged dictionary is a comprehensive dictionary of words and meanings arranged alphabetically | Have students compare an unabridged and abridged dictionary. Do students recognize the difference between abridged and unabridged dictionaries? | Show students an abridged and unabridged dictionary. Explain the difference between the two. |
| | Gather information from special dictionaries; biographical, geographical and scientific | The student will know that a biographical dictionary is used to identify persons and a geographical dictionary is used to identify places. | Have students locate information about people that are being referenced in content areas. Can students locate information on specific topics using the different types of dictionaries? | Show students examples of the different types of dictionaries. Explain when the specific dictionaries would be used. |
