

Elementary Parents.

If you are receiving this email it is because your family has selected to do Remote Learning this year. In order for Remote Learning to be effective you will need to follow certain protocols and you will need to pick up some materials from the elementary school. Our goal is for remote learners to feel as though they are a part of the classroom. The only way for this to happen is through live direct instruction lessons. Attendance is expected. We do realize that there will be times when you will need to catch up with recorded lessons. Here are the expectations for remote learners and teachers.

Expectations:

1. Students are expected to sign in at 8:30 for attendance and their first live lesson. Teachers will also monitor attendance throughout the day for live lessons.
2. Teachers will place a link for live lessons in Canvas. This is the link you click on for the day.
3. Teachers will post their schedule of live lessons. Schedules will be consistent throughout the week.
4. Teachers will guide students on when they will be able to turn off their camera and mute themselves to work on their own or for breaks. The schedule will let students know when they should log back on for their next live lesson.
5. It is expected that students will log in for all live lessons. We understand that sometimes this will not be able to happen. If this is the case please email your child's teacher and me (bangertm@hasd.us). We will work with you to make sure lessons are completed.

Materials Pick Up:

1. Materials will be available for pick up on Friday, August 21 from 9 – 4 and on Monday, August 24 from 9-4. If you are unable to pick up materials at the stated times please contact the office and we can make other arrangements.
2. You can come to the front of the building and let the office know you are here to pick up materials.
3. Students who are new to Halifax Elementary will need to also pick up their iPad.

Log-In Information:

More information about logging in to ClassLink and Canvas will be coming soon.

[Michelle Bangert](#), Principal

Halifax Elementary School
