

Halifax High School

Face to Face Instruction Reopening Plan

Face to Face

Face to Face Instruction is delivered in person. In this setting, students will attend our brick and mortar school with safety guidelines put in place.

Remote Learning

Instruction will occur with Halifax teachers utilizing the district-developed, board-approved curriculum. Students in this setting will work from home. Instruction will be delivered virtually through Canvas on a daily schedule synchronized with our face to face model. Attendance will be taken at the beginning of the school day and at the beginning of every class. This model allows our students to be in class when not able to be in the school building.

Prior to the School Day

- Parents must check students for COVID-19 symptoms every morning.
- Parents are encouraged to keep children at home if any symptoms are present.

Arrival

- Students that walk to school should time their arrival for no earlier than 7:10am.
- Beginning at 7:10am lobby entrance doors will be kept open.
- Two busses at a time will be called to disembark. The next 2 busses will be called every 1-minute thereafter.

Breakfast Procedures

- Students will be permitted to go to cafeteria breakfast as usual, but the number of persons at a cafeteria table will be limited accordingly (see cafeteria section for additional details)
- Second chance breakfast will be suspended until further notice.

Hallways

- Students A-L to dismiss from class 1 minute prior to the class dismissal bell.
- Students M-Z will dismiss from class at the class dismissal bell.
- When students arrive to their destination classroom they will wait - socially-distanced - outside the door until the room has been cleared of the previous class.
- Teachers will begin class when appropriate.

Classrooms

- Each room will have desks at social distance spacing to the maximum extent feasible.
- Teachers will scan and distribute electronic copies of shared materials (e.g. class sets of textbooks).
- Single use materials can be distributed (e.g. worksheets)
- Desktop sanitation by staff at the end of each class.

Cafeteria

- Expand the cafeteria with additional building spaces.
- Students will practice social-distancing in the lunch line.
- Sanitation will occur between lunches.

Dismissal

- Students M-Z will dismiss at 2:27.
- Students A-L will dismiss at 2:30.
- All lobby exit doors will be propped open during dismissal.

Nurse's Office Plan

- Waiting chairs will be socially distanced to the greatest extent possible.
- A student considered to be COVID-19 questionable will be isolated immediately to a physically separate area.
- A parent or guardian must pick up a COVID-19 questionable student as soon as possible, following notification from the school.

Other Considerations

- Classrooms will be cleaned and disinfected on a daily basis.
- Hand sanitizer and disinfectant wipes will be available throughout the school.
- Students who exhibit COVID-19 symptoms or visit locations considered a COVID-19 hot spot will need to quarantine prior to returning school.
- Each student will receive a washable mask.
- A parent or guardian can provide protective gear for their child.
- Safe distance markers and signage will be displayed throughout the building.
