

Halifax Area School District

Application to Conduct Fundraising Activity

- All student groups, citizen groups, parent groups, or other groups associated with the school district or any of its groups, programs, classes, or activities must have the approval of the superintendent prior to initiating any fund raising activity.
- Student groups may not conduct more than one fund raising activity each year. Other groups may conduct two fund raising activities in each year, but may not involve students in more than one fund raising activity each year.
- Any food items that are to be sold during the school day to students must follow the district's Local School Wellness Policies Nutritional Standards (listed on reverse of form). A list of the food item ingredients or nutritional label must be attached to this application upon submission. Foods sold as a fundraiser and concessions that are available for sale outside of the school day will support healthy eating by limiting foods high in added sugar, fat, sodium or trans fat content and providing healthy food or non- food options.
- This completed application must be submitted to the appropriate principal and/or athletic director at least 30 days prior to the anticipated beginning of the fund raising activity.
